

Drop Off Checklist for Consignors

Now that you've registered & paid online, here is a printable "to do" list to make sure you're prepared for your Drop Off appointment...

1. Sign up online for a Drop Off appointment. One appointment for every 200 items consigned, consecutively (back-to-back appointments).
2. Read through the Consignor Section of the As They Grow website at www.astheygrowsale.com/summerlin including Item Prep, Tagging Instructions & Acceptable/Unacceptable Items pages to fully understand what's accepted at our sale & how to prepare & tag your items. **Due to NEW SORT PROCESS, use distinctly-colored hangers &/or wash (craft) tape to easily identify your unsold items during Pick Up.**
3. Check items to make sure they're clean, pressed & hung or packaged correctly. Check toys & gear with batteries to make sure they work. Replace batteries if needed.
4. Check to see that each item has a tag & that it's attached well.
5. Large items: print an extra, duplicate tag to be attached to a Large Item Claim Ticket at Drop Off.
6. Group your items by gender & size, and rubber band each size together, for a quicker Drop Off.
7. Check the recall list at <http://www.wemakeitsafer.com> - with special focus on "safety" items like car seats, strollers & cribs. You wouldn't want to sell an unsafe item to another mom. Most manufacturers offer free replacement parts to make the product safe for use.
8. Sign up for your volunteer shift early to get your desired shift. Consignors who volunteer 2 or more work- shifts keep 70% (an extra 5%) of what your items sell for & you'll get to shop our exclusive Volunteer PreSale!
9. If you're consigning furniture, please be prepared to assemble it at Drop Off. All furniture needs to be assembled except if it's brand new in the box with a picture on the outside of the box.
10. Consignors who have 10 or more items that DO NOT meet ATG's requirements at Drop Off, will be placed on probation and limited to consigning 50 items (or less) at our next sale. The probation will be lifted when the consignor brings in 50 items (or less) that meet the ATG requirements.
