

*Prepare your items by cleaning, organizing and packaging. A well-presented item will sell quickly. Use an app like pic collage to capture multiple angles of the item. (reminder only one pic per item) If selling a set, all items must be included and packaged together. Do not use packing tape over wood or decorative items. Use Magic Eraser to remove scuff marks. Tooth brushes are great for small corners. All items must be in New or Gently-Used condition. No "Adult" / Mature/Rated R items accepted. For additional questions, please ask in the ATG Consignor Club. *Reminder: per our Seller Agreement, any missing items or items that do not meet our quality standards will be subject to a 25% or \$5 restocking fee (whichever is greater).*
