Baby Toys

“Tummy time” mats, mobiles, play gyms, push toys, books, activity tables, kick toys, rattles, learning & signing videos.

Breast Pumps

Per health code, all accessory parts that touch breast or breastmilk cannot be resold. Please remove these accessories before bringing to the sale & try to include any info on replacement parts if you have it. If pump and accessories are new in package all parts may be resold.

Car Seats & Infant Carriers

We only accept car seats with manufacture dates less than 4 years old. This gives our shoppers a minimum of 1 year of use before the 5 year time limit is up. Consignors must enter the manufacture date on the price tag in the description field. Please use this [Car Seat Safety Checklist](#) to find out if the model you're consigning is still safe.

Children's & Juniors Clothing

Gender & size must be clearly marked. Children's sizes up to girls size 18 & boys size 20. Juniors sizes up to 17+. All seasons acceptable.

Toys that are missing parts, batteries or don't work

Stuffed Animals

Unless they are battery-operated, i.e., they move or talk.

Fast food meal toys & bags of random toys

Opened consumable or drug store items including baby food, formula, bath wash, lotion, diaper cream, etc.

Hospital-issued and/or diaper bags, blankets, clothing, etc.

Handmade- slings, blankets, etc.

Infant carriers & car seats with a manufacture date past 4 years, recalled, missing parts or unsafe
View the [Car Seat Safety Checklist](#).

Used Mattresses

Crib, toddler bed, etc. must be brand new in original packaging.

Crib bumpers

Alone or as part of bedding sets.

Children's Toys

Dolls & accessories, Build-a-Bear, Disney, cars & trucks, building blocks & Legos, electronic learning toys, books, board games, video games & educational software, DVDs (G, PG & PG13 only), art toys & easels, outdoor play equipment, slides, play houses, wagons, big wheels, tricycles & bikes, bike trailers, sports equipment. All bikes must be "ready to ride" – no flat tires, etc.

Toys that require batteries MUST have working batteries in them and you can pick these up at some Dollar Stores inexpensively. Items MUST WORK before being accepted. Toys and games must have all pieces. Toys with loose pieces/balls, etc.: place the pieces in a zip lock bag and tape it shut with packing tape.

Puzzles

Wooden and floor puzzles ok. Puzzles in boxes must either be new/sealed or you must attach a picture of the puzzle assembled to verify all pieces are present.

Please Note. The Consignor is responsible for checking for recalled items and expiration dates on car seats, etc. Remember, you are selling your items to other moms & children. If in doubt, here is the link for recalls:
